Tim Ellis Named Remodeler of the Year

(BALTIMORE) – November 19, 2009 – The remodelers council of the Home Builders Association of Maryland has awarded the Remodeler of the Year Award to Tim Ellis of T.W. Ellis, LLC in Baldwin, Maryland. “We are thrilled to see a remodeler of Tim Ellis’ caliber honored with the Remoeler of the Year award and are grateful to have him sit on our board and represent our industry,” said Guy Caiazzo, the current president of the HBAM Remodelers council.

Ellis started his career as a union carpenter apprentice. He completed his 4 year apprenticeship with the Baltimore Carpenters union and become a carpenter journeyman. He has an Associate of Science in Business Administration and an Associate of Applied Science in Construction Management. He is also a proud veteran of the Maryland Army National Guard.

In March of 2002, Tim and Barry Ellis established T.W. Ellis LLC, a family owned and operated residential remodeling company. With over 15 years of proven experience, Tim has quickly become a fixture in the remodeling industry. Tim is a member of the HBAM Remodelers board and has won a number of awards including numerous Remodeling Awards of Excellence. Tim sits on the Maryland Community Builders Foundation board where he is involved in promoting shelter related activities for those less fortunate throughout the Baltimore region. He is a National Association of Home Builders Green Building Verifier and Certified Green Professional. Tim is committed to the building and remodeling industry and is constantly working towards its betterment through his volunteerism with HBAM and though the business he does with his clients.

The Home Builders Association of Maryland is a not-for-profit association that provides governmental relations, educational opportunities and generally functions as a housing industry advocate. HBAM consists of 1,200 member firms, including home builders, commercial and industrial builders, remodelers, material suppliers, sub-contractors, lending institutions, developers, manufacturers, utilities, Realtors and architects from across the central Maryland region.
